7 an amendment to the City Charter of the City of Riverside which states: "The City of Riverside
8 shall adopt a Code of Ethics and Conduct for elected officials and members of appointed boards,

10 government and its effective and fair operation." To assure public confidence in and ensure
11 effective and fair operation of the local government of the City of Riverside the following Code
12 of Ethics and Conduct is hereby adopted by the City of Riverside.

13 II

14 CODE PROVISIONS

15 A. Purpose

16 It is the intent of this code to achieve fair, ethical, and accountable local government for
17 the City of Riverside. The people of Riverside expect public officials, both elected and
18 appointed, to comply with both the letter and the spirit of the laws of the State of California, the
19 United States of America and the Charter, Municipal Code, and established policies of the City
20 of Riverside affecting the operations of local government. In addition, public officials are
21 expected to comply with the provisions of this Code of Ethics and Conduct established pursuant
22 to the expressed will of the people. All persons covered by this code will aspire to meet the
23 highest ethical standards in the conduct of their responsibility as an elected or appointed official
24 of the City of Riverside.

25 B. Scope

26 The provisions of this Code of Ethics and Conduct shall apply to the Mayor and members
27 of the City Council, and to all members of the boards, commissions, and committees appointed
28 by the City Council or the Mayor or the Mayor and City Council, including any *ad hoc*

1 committees.

2 C. Core Values

3 The people of the City of Riverside share a set of core values that constitute the guiding
4 principles for the establishment of this code. We express these core values in the following
5 aspirations. As citizens of the City of Riverside we aspire:

- 6 (1) To create a government that is trusted by everyone.
- 7 (2) To make decisions that are unbiased, fair, and honest.
- 8 (3) To use public office for service to the public good and not for personal or private
9 gain.
- 10 (4) To ensure that everyone is treated with respect and in a just and fair manner.
- 11 (5) To create a community that affirms the value of diversity.
- 12 (6) To ensure that all public decisions are well informed, independent, and in the best
13 interests of the City of Riverside.
- 14 (7) To maintain a nonpartisan and civic minded local government.
- 15 (8) To ensure that all officials are adequately prepared for the duties of their office.
- 16 (9) To ensure that members of appointed boards, commissions, and committees make a
17 diligent effort to attend all regularly scheduled meetings of their board, commission, or
18 committee.

19 Based upon these core values it is the City of Riverside's intent to establish through this
20 Code of Ethics and Conduct reasonable expectations of behavior for elected and appointed
21 public officials who will meet the aspirations of these core values.

22 D. Creating Trust of Local Government

23 As elected and appointed officials of the City of Riverside we desire to operate our
24 government and exercise our responsibilities in a manner which creates a trust in the decisions
25 that we make and the manner of delivery of programs through the local government. We desire
26 to create a transparent decision making process by providing easy access to all public
27 information about actual or potential conflicts between our private interests and our public
28 responsibilities. We commit to making ourselves available to the people of the city to hear and

1 understand their concerns. We commit to making every effort to ensure that we have accurate
2 information to guide our decisions and to share all public information with the community to
3 ensure their understanding of the basis of our decisions.

4 E. Making Unbiased, Fair, and Honest Decisions

5 As elected and appointed officials of the City of Riverside we seek to ensure our
6 decisions are viewed as unbiased, fair, and honest. We affirm our desire to avoid participation in
7 all decisions which create a real or perceived conflict of interest. We commit to disclose any
8 personal interest that would be perceived to be in conflict with the fair and impartial exercise of
9 our responsibilities. We will not accept gifts or favors which might compromise the
10 independence of our judgments or actions or give the appearance of being compromised.

11 F. Use of Office for Service to the Public Good and Not for Personal or Private Gain

12 As elected and appointed officials of the City of Riverside we recognize our
13 responsibility to use the benefits of our public office exclusively for the public purpose for which
14 it was created. We affirm our desire to avoid the use of our office for personal or private gain by
15 accepting gifts or favors which might compromise the independence of our judgment or give the
16 appearance of being compromised, using our official title for matters other than the official
17 conduct of our office, and engaging in decisions which would affect the level of compensation
18 we may receive for our service. Acceptance of gifts shall otherwise be consistent with the
19 requirements and limitations of state law.

20 G. Treating Everyone with Respect and in a Just and Fair Manner

21 As elected and appointed officials of the City of Riverside we understand our
22 responsibility to make extraordinary attempts to treat all people, including city staff, in a manner
23 which we would consider just and fair. We value and encourage input from members of the
24 community and encourage open and free discussion of public issues. We affirm our desire to
25 have all persons treated with respect as they come before the body on which we serve. We affirm
26 our commitment to create an atmosphere of genuine interest in their point of view even if it
27 differs from our own.
28

1 H. Creating a Community that Affirms the Value of Diversity

2 As elected and appointed officials of the City of Riverside we recognize and affirm the
3 value of all persons, families, and communities within the City of Riverside. We will encourage
4 full participation of all persons and groups, be aware and observe important celebrations and
5 events which reflect the values of our diverse population, and provide assistance for those who
6 find it difficult to participate due to language barriers or disabilities.

7 I. Ensuring that all Public Decisions are Well Informed, Independent, and in the Best
8 Interests of the City of Riverside

9 As elected and appointed officials of the City of Riverside we encourage and support
10 research and information gathering from verifiable sources. We will seek to ensure that
11 information provided by the City Government to the public is accurate and clear. We will ensure
12 that all information utilized in the decision making process, except that which by law is
13 confidential, will be shared with the public.

14 J. Maintaining a Nonpartisan and Civic Minded Local Government

15 As elected and appointed officials of the City of Riverside we affirm the value of our
16 nonpartisan council-manager form of government.

17 K. Ensuring that All Officials are Prepared for the Exercise of their Duties

18 As elected and appointed officials we commit to participation in all orientation and
19 training sessions which are presented to ensure our full preparation for the exercise of our public
20 duties.

21 L. Ensuring Impartiality When Acting in a Quasi-Judicial Capacity

22 Whenever the members of a board or commission participate in a quasi-judicial hearing,
23 the subject of which will be subsequently heard by the City Council, the members shall not
24 contact the Mayor and/or any members of the City Council for the purpose of influencing the
25 City Council's decision.

1 III

2 IMPLEMENTATION OF THE CODE

3 A. Implementation, Monitoring and Oversight

4 Monitoring and oversight are essential to ensure this Code of Ethics and Conduct is
5 effectively implemented. The objectives of this implementation effort shall include:

6 All persons covered by this code must be aware of its provisions.

7 All persons covered by this code shall have resources available to clarify expectations in
8 situations where they feel a potential area of noncompliance may exist.

9 All bodies covered by the code shall adopt rules of procedure which include the
10 provisions of this code.

11 Annual review shall be conducted to ensure the code is being applied in a fair and
12 effective manner.

13 Annual review shall be conducted by the City Council at a regular meeting.

14 To achieve these objectives the following mechanisms should be utilized.

15 1. All new members of the City Council, upon election or reelection, and members
16 of boards, commissions, and committees appointed by the City Council, upon appointment or
17 reappointment, shall be given a copy of the code and required to affirm in writing they have

19 2. All new members of the City Council and boards, commissions, and committees shall
20 be provided a training session which shall clarify the provisions and application of the code.
21 These sessions shall be coordinated by the City Manager, City Attorney and City Clerk through
22 the Mayor's Office.

23 3. The City Attorney, or his or her designee, shall serve as a resource person to those
24 persons covered by the code to assist them in determination of appropriate actions consistent
25 with the code.

26 4. Complaints from members of the public regarding members of boards, commissions
27 or committees shall be made in writing and first presented to the Chairperson of the respective
28 board, commission or committee for review and resolution through the City Clerk. If not

1 resolved, the complaint will be forwarded to the Mayor's Nominating and Screening Committee.
2 Complaints regarding elected officials shall be made in writing and presented to the Chairperson
3 of the Mayor's Nominating and Screening Committee through the City Clerk. The complaint
4 shall be forwarded to the Mayor's Nominating and Screening Committee for review and
5 resolution. If the complaint concerns a member of that Committee, the City Council shall
6 appoint another councilmember to review that complaint only. If the complaint concerns the
7 Mayor, the Mayor shall recuse himself/herself from review of that complaint. Complaints
8 concerning Section II, G herein, shall be made in writing and presented by the person who claims
9 to have been treated in a manner inconsistent with that Section. Complaints shall be presented
10 within thirty (30) days of the date of the alleged act or omission which forms the basis for the
11 complaint. The City shall provide a written response to the complaining party within ninety (90)
12 days of presentation of the complaint. Complaints shall be retained for at least two years.

13 5. The chair of each body covered by this code is responsible to intervene and provide
14 appropriate guidance to members and, if need be, communicate concerns to the City Council.

15 6. In September of each year, the Mayor, the City Manager, the City Attorney and the
16 chairs of all Boards and Commissions shall meet with the Governmental Affairs Committee of
17 the City Council to assess the effectiveness of this code and its application. They shall present a
18 report to the City Council which may include recommendations for the inclusion of new values
19 or procedures. Prior to the annual Governmental Affairs Committee meeting, every Board and
20 Commission is encouraged to agendize and discuss the Code and submit any recommendations
21 for the Committee's consideration.

22 7. In September of each year, the City Council shall hold a public hearing on its
23 evening agenda at a regularly scheduled meeting, and shall review the report and make an
24 independent evaluation of the effectiveness of the Code of Ethics and Conduct.

25 B. Enforcement and Sanctions

26 It is the intention that this code be self enforcing. However, it is recognized that there
27 may be instances where even after receiving guidance and counsel, a person may continue to
28 violate the Code's provisions. In those cases sanctions would apply and would occur in a public

1 meeting.

2 (1) Mayor - City Council

3 The sanctions that would apply by action of the City Council would be:

4 (a) Public censure of a member.

5 The ultimate sanction of removal from office would lie in the hands of the
